SECOND SUPPLEMENTAL AMENDMENT

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

This Supplemental Amendment is being filed in response to the Notice of Non-Compliant Amendment dated **December 05, 2005** (attached as Appendix A). The Notice of Non-Compliant Amendment was issued for a Response & Amendment, dated October 16, 2005, to an Office Action in the present application, dated **September 26, 2005**. A response to the Notice is due one month from the mailing date, i.e., January 05, 2006. Therefore, this Response is being timely filed.

Applicants apologize for amending an old version of the claims for which reason the Examiner had to issue an additional Non-Compliance Notice. Applicants believe that this has been rectified by the second, rectifying, and supplement amendment.

Examiner is kindly requested to disregard our first supplement amendment letter, and to amend the above-identified application as follows:

Amendments to the Claims are reflected in the listing of claims beginning on page 2 of this paper.
